| MODEL | RH1754-240 |
|--|---|
| | Turbo Diesel |
| Weight - lb (kg) | 17,500 (7,937.9) |
| Height with Conveyor Extended - feet - inches (cm) | 12 - 4 (375.9) |
| Height with Conveyor Folded - feet - inches (cm) | 10 - 6 (320.4) |
| Length with Conveyor Extended - feet - inches (cm) | 32 - 6 (990.6) |
| Length with Conveyor Folded - feet (cm) | 28 (853.44) |
| Width - inches (cm) | 90 (228.6) |
| Engine - hp (kW) | 240 (179) Cummins QSB, Turbo Diesel |
| Discharge Conveyor Height - feet - inches (cm) | 12 - 4 (375.9) |
| Infeed Conveyor Length - inches (cm) | 98 (248.9) |
| Infeed Opening - inches (cm) | 17 x 54 (43.2 x 137.2) |
| Fuel Capacity - gal (L) | 90 (340.7) |
| Hydraulic Oil Capacity - gal (L) | 50 (189.3) |
| Axle - lb (kg) | 2- 9,000 (4,082) each, Torflex w/Electric Brakes |

More Power. More Profit.

Radio remote controls

Swing-away fuel tank

Folding feed table

Folding extended discharge conveyor
With magnetic head pulley

Oversized radiator with reversing fan and
Removable debris screen

Optional tracks

Process Materials Easier & Faster

Powerful 240 hp Cummins 6.7 L Diesel Engine

Our customers asked for a horizontal grinder that makes processing materials such as wood chips, lumber scraps, pallets, logging slash and green waste easier and faster than ever... without breaking the bank. RAYCO listened, and the RH1754-240 was born. It boasts a powerful 240 hp Cummins 6.7 L diesel engine, a longer discharge conveyor, and other enhancements to maximize throughput while keeping operating costs at a minimum. Pile chips higher, or fill open-top trailers, with a discharge conveyor that reaches over 12-feet high. Screens can be changed in minutes allowing the operator to size product to his exact specifications. Variable speed control on both infeed and discharge conveyors can be tailored to virtually any grinding application. And best of all, it's priced thousands less than the competition.

Think Smart, Think Safe.....

We care about your safety. When operating your RAYCO machinery always wear an approved helmet complete with ear muffs, face shield and the proper eyewear. Never operate under the influence of alcohol or drugs. Know your RAYCO, read and understand your owner's manual cover to cover.
