ENVIRONMENTS

A very powerful, industrial large output 32A heater. Designed and built to withstand the rigours of regular site use comes complete with features including an adjustable thermostat, over temperature protection and lockable castors while the optional single and multiple outlets allow the FF29 to deliver warm air either along up to 10M of ducting or to up to 4 separate area's. A clean, odourless and fume free alternative to gas and diesel heaters.
